givejedahand This #mural by #omen514 is #sick a and #disgusting like it's OK for #rich #sickkids that brought us the #Olivier #drug #scandal to exploit children for emotionally manipulative #fundraising as long as #WestQueenWest #Hipsters are involved! Something #CAMH #CAMHFOUNDATION would do but the so-called #empowerment council MIGHT object (though they haven't so far) #QueenWest #Parkdale #Toronto #Streetsoftoronto #Streetphotography
